Notes for James Douglas Clark:

09 Nov 2009 - James Douglas "Doug" Clark died. He was the son of James Arno Clark and Naomi Lee Hamlin. He was one of those rare unforgettable people that you meet in life. Raised in the hollows and backwoods of Southwest OH, life was really rough. An alcoholic and a failed marriage came early. He met a sweetheart who also was previously married. They married and life really changed. Doug became a leader throughout the Lawrence County area. Doug served as the mayor of Proctorville, and held court in the evenings for several years. Doug worked with the delinquent youth in the county. He worked many years as the clerk of the county court during the day. He became a Grand Master Mason and led their fund raising each year (selling their apple butter). Doug was an active force in sustaining the Lawrence County fair each year. Unfortunately, an aggressive prostate cancer was diagnosed in his 30's. Just a few years before his death, I first met him, we instantly hit it off, we had so much in common. After that, we communicated several times a week with emails. Over time, his emails changed about a year before his death, they changed to a very religious tone to them. Unknown to anyone other than his wife, the cancer had failed all aggressive treatment. He continued treatment knowing it wouldn't help him, but perhaps what they learned might help someone

Generation 10 (cont.)

else. In a weakened state, he was admitted to the King's Daughters Medical Center in Cincinnati, OH, 59 years old. He lasted about two days. As the funeral procession went through the town of Proctorville, OH, all the businesses were closed and the entire town's people lined the streets to pay their last respects.

aviation. During the second world war he piloted the B25 light bomber. He kept a private license after the war. Following discharge he resumed his studies at Marshall University, graduating with a degree in education, and soon thereafter married Patricia Ann Booth, also of Barboursville, with whom he had his two sons. The family moved to Troy in 1952 where Chester was employed by BF Goodrich as a draftsman for many years. Later, after earning a degree in engineering from the University of Dayton, he was employed by the Dayton Walther Corporation as their chief engineer in research and development. After retirement he taught calculus for a while at Edison College. In 1958 he married Mary Lou Adkins of Huntington, WV, who was well known in the local community for her thousands of hours of volunteer work at Dettmer Hospital. She predeceased him in 2015. Chester was a lifelong member of the Methodist church and brought up his family in that institution. He was an honest, clean living, hardworking, church going family man which turned out to be the formula that likely led to his great longevity. He was an avid golfer when younger, and later in life enjoyed socializing with the daily crowd at K's. His love for mathematical precision followed him throughout his life and manifested itself in many ways. He designed and built his own home, drafting the drawings to the smallest detail. He was an excellent cabinet maker. In his seventies he became fascinated with the demands of quilt making and achieved great success in this new hobby. His creations are now dispersed among his descendants where they will continue to be a comfortable reminder of him. "Chet" was one of the last remaining WW-II veterans living in Troy. Though diminished by age he was often noticed wearing his veteran's hat on the streets of Troy where the locals showed him many acts of consideration and kindness deferential to his service. These were gestures for which he was profoundly grateful and speak to the character of those who noticed the old veteran and helped him along his way. Chester Fannin lived a long life and enjoyed good health, mobility and independence right up to the end which came quickly. He will be interred among his ancestors at Ridgelawn Cemetery in Huntington, WV. Our family will be respecting his instructions and rather than have a public memorial service will be celebrating his memory privately.

Notes for Lena Jo Bryant:

Mrs Lena Jo Bryant Chambers Barbry, 84, of Garland, TX, died May 13, 2011 at the home of her granddaughter, Mrs Angela Peters, from complications of pneumonia and renal failure. Jo, as her friends called her, was born Nov 30, 1926, the daughter of the late Joseph and Maggie Bryant. She was the youngest of six children raised on the family farm during the Great Depression. The Bryants grew cotton, soybeans and vegetables. They never went hungry and always seemed to have enough food to help less fortunate families. As a teenager, Jo vowed to make a better life for herself. Her father insisted all six kids get their high school diplomas. After graduating from Garland High School, Jo worked her way through secretarial school, completing all her courses. Her first job, however, was on the assembly line at the Resistol Hat Factory in Garland. But, soon after, she was employed as an inventory clerk at the Chambers Lumber Company, where she met her soon-to-be husband, Oscar Elmer Chambers. Jo assisted her husband with his various enterprises that included oil, lumber, motels and home-building. They had five children together, making her a very busy homemaker and mom. Jo traveled with her family to dozens of countries around the world. She adjusted well to the demands of making new homes in so many places, including Texas, Oklahoma, Alabama, and California, plus several cities in western Canada. One of the family's happiest memories was running the American Motel in El Centro, CA. Jo was the perfect hostess, greeting every guest with a smile, while the kids enjoyed the desert climate, the swimming pool and giant palm trees. The family embraced its nomadic lifestyle and it was Jo who provided the glue that held everyone together. The years following the death of her husband were a great challenge emotionally, but Jo was the loving mom that her children needed. Jun 17, 1983, Jo married Rev Bill Barbry of Ft. Smith, AR. They were happily united until his death in 2005. Mrs Barbry is survived by her five children and their spouses: Mikel and Elizabeth Chambers, Paul and Elli Chambers, Timothy Chambers, Bryan and Camille Helm and David and Sara Chambers. Jo also leaves behind eight grandchildren, three great-grandchildren and two more on the way. Jo's greatest gift was her capacity for love. She was adored by her family and friends. She's now in the hands of Christ, our Lord. Services will be 1:00pm Tue in Williams Memorial Chapel.

Their fifty years of marriage were blessed with three wonderful children and eight adorable grandchildren, as well as, uncommon companionship and adventures in travel around the world. After their move to Fargo, Ann earned a Master of Arts in Counseling. All who knew Ann, were blessed by her humble wisdom, integrity, curiosity, warmth, sense of fun, and a bright and beautiful smile, that beamed out from an even brighter and more beautiful spirit. Ann's kindness, generosity, and deep, lifelong joy, were rooted in her own experience of the love of Jesus Christ. Ann was preceded in death by her parents, Bill and Valera Robinson. Notes for Pat Michaux McCuiston:

Pat M. McCuiston is being remembered today as "a very powerful state senator" who may not have received the credit he deserved, said 8th District state Rep. Jim Bruce of Hopkinsville. "He did so many things for this community," Bruce said this morning in a telephone interview. "He was very influential." Services were conducted Sun at Maddux FuquaHinton Funeral Home in Pembroke for McCuiston, who died Fri night at Jennie Stuart Medical Center of natural causes. He was 84. McCuiston, of Pembroke, served Christian, Todd and Caldwell counties and, at one time, Trigg County, as 3rd District state senator in the General Assembly from the late 1960s until he was unseated in 1992 by Sen. Joey Pendleton of Hopkinsville. McCuiston was elected to the state Senate in 1968, and rose through the ranks to become its assistant president pro tem. For the next 24 years, McCuiston served alongside Bruce. "He never did brag about any of the things he did. He was that kind of man," Bruce recalled. "Pat was loyal to Hopkinsville and Murray State University." In fact, McCuiston, a 1939 Murray State graduate, once served as president of the MSU Alumni Association - as well as top positions in the Kentucky Bankers Association, Woodmen of the World Life Insurance Society and the Rotary Club. "Rotary was his favorite," Bruce commented. "He never missed a meeting for so long and even attended the club in Frankfort so he could have those meetings counted." Bruce said McCuiston probably entered public service because "he liked to be involved." "He knew that's where the action is," he said laughing. As a result of his service, McCuiston earned the Ned Breathitt Award, given annually to a local Democrat in recognition of his or her party recognition. When he entered the political scene, McCuiston was president of Planters Bank in Trenton and retired from the business in 1973 after 25 years. However, the former senator began a career in teaching at Pembroke and later was principal and coach at South Christian. At one time, he coached and taught at New Concord High School in Calloway County. After teaching, McCuiston worked as executive director of the local Chamber of Commerce for 10 years. During his service, he helped recruit Thomas Industries to Hopkinsville, and later, served as the plant's personnel director. A member of Pembroke Baptist Church, McCuiston served as deacon. A native of Kirksey in Calloway County, McCuiston was born Sep 8, 1917, son of the late Thomas Montie and Flora McCuiston. Notes for Robert Franklin Hamlin:

I was born at 10:30 pm a Tue night which happened to be election day that year. President Roosevelt was reelected for 3rd term that night and Mother decided to name me after him with my middle name as Franklin. I was an only child for 6 and one half years due to the war going on. Dad was quite busy running a plant 24 hours a day with 3 shifts doing government contract work manufacturing various parts for the war effort. My folks were allowed to have a car and gas and even sugar and coffee--things many others were rationed for. Then my sister was born in 1947 after the war. I attended voluntary kindergarten at age 6 since I wasn't allowed to start school until I was almost 7 due to my birthday falling after the cutoff date of Oct 15th. In elementary school I began taking private piano lessons at age 7 which lasted until 6th grade. Began band in 4th grade--playing the clarinet as my doctor said it would be good for my asthma(outgrew it about age 21) which had begun at age 3. I really loved music and also began youth choir at church at same time. In those days we had junior high and I was there from 7th thru 9th where I was in Band and in Orchestra. Since a language was required in HS, I took Latin in 9th and 10th since I was going to be in premed some day. High school began in 10th then and I was still active in Marching Band and Concert Band. We were one of top HS bands in NC and took trips to NY and to Canada and to Washington, DC. I continued to be in choirs at church through 12th grade. In college in my hometown I was in choir for 4 years and in band my senior year when one was formed,, People thought I was majoring in music. But I was in biology and then chemistry and finally changed to sociology as premed didn't work out for me. After graduation in 1963, I finally left home to begin first job in social casework in another town. After that for awhile I went to grad school in Oklahoma for a year in sociology. Then back to NC and to Georgia where I worked in retail sales until the Viet Nam War opened up government jobs in the Defense Dept. So off I went to a huge Airforce base in middle Ga to work in inventory management..There I became active in a local church and in choir and other community activities. I met my exwife at that time in church..We got married and we moved to Atlanta where our son was born in 1971. In 1973 we headed west to Oklahoma to locate halfway between her folks in Idaho and mine in NC. I was able to get a retail management trainee position which moved us to Nebraska to train and then to Kansas for my assignment as a manager

Generation 10 (cont.)

of an arts and crafts store. The exwife returned to Idaho where our daughter was born in 1975. We got a divorce later that year and the children grew up in Idaho. I changed jobs several times while in Kansas: sales, welfare casework, inventory work. Moved to Los Angeles area for 3 years and then back to Ks until I moved to SE Kansas and began my own sales business for 11 years from 1991 to 2002 and retired. Moved over into Missouri in 2008. Have still been doing church music off and on. Also I do music shows at area nursing homes, assisted Living homes, and senior centers.. Enjoy going to festivals, concerts, parades, and other events with friends. Have been gardening with vegies and flowers for many years. The children remain in the West with their own families. I have 4 grandchildren.

Notes for Elizabeth Ann Myers:

By Jennifer Watkins, daughter of Elizabeth. My grandmother Helen Betty "HB" McLucas Myers was very interested in family geneology. There is further information that she had found at one time.... it leads back to McLucas lineage on the islands of Skye and Mull in Scotland, which is related to the McLeod lineage. McLeod ancestors are the only family that still have a non-government owned castle dating back to the Vikings.

Notes for Jack Iden Hamlin:

Jack I. Hamlin, Norfolk - Col. Jack I. Hamlin, USA, Ret., 91, died peacefully, Wed, Oct 4, 2012, after a brief illness. He was born in Etna Green, IN. He was predeceased by his parents Paul J. Hamlin and Althea Iden Hamlin. Surviving is his wife, Dora B. Hamlin, of 68 years, daughter Daura Christopher Hamlin, DDS and son-in-law Thomas W. Hubbard, MD, JD. Jack was a career Army officer in the Quartermaster Corps. He graduated from Indiana University in Bloomington, IN, in 1943, with a business degree from the Kelley School of Business. He also received his commission that same year. He obtained his MBA at Ohio State, in 1949. He attended the Naval War College in Newport, RI and the Army War College in Carlisle, PA. He was Battalion Commander in Korea, where he also built an orphanage and Area Commander in Vietnam. His tours of duty included Puerto Rico, South Carolina, Japan and many years in Washington, DC. We were so proud of the numerous medals and honors he received during his service to his country. In 1969, he retired from the military and began a 16 year career with People's Drug Stores as Vice President in charge of Personnel. He was also a successful real estate investor, starting with his first farm at the tender age of 19, a pursuit he continued throughout his life. His undying passion was music. He was an accomplished musician, playing first chair trumpet in the Indiana University Marching Hundred Band and an expert pianist, playing up until his death. His devotion to music was evidenced when he and his wife endowed the Jack I. Hamlin and Dora B. Hamlin Chair for Piano at the Indiana University Jacobs School of Music, which is held by the acclaimed pianist Andre' Watt. He quietly supported many worthwhile philanthropies. He was an extraordinarily humble man, who prized a sense of humor. To respect his wishes, his burial at Arlington Cemetery will be private.

Jack I. & Dora B. Hamlin Endowed Chair in Piano

Jack Hamlin has always loved music and while in high school he took lessons on the cornet and the piano. When it came time for college, Jack intended to complete a music degree at Northwestern with the music scholarship he had been offered. That changed when his teacher that summer suggested that Jack "forget music and go to business school." What a great piece of advice that was. Jack did, indeed, attend the IU School of Business, but he also played first chair cornet in the Marching Hundred and was ROTC band captain while completing his business degree. Jack, and his wife Dora, whom he met while at IU, think that was the best of both worlds. When Jack graduated in 1943, his entire class at the School of Business left together to serve in WW-II. Since they had training in business, the whole group was assigned to the Quartermaster Corps. Jack stayed in the military, eventually serving in both Korea and Vietnam, retiring as a Colonel in 1969. He completed an MBA at Ohio State University while in the service. Following military retirement, Jack spent several years as the vice president for personnel for Peoples Drug Stores. All the while, Jack enjoyed the piano and his music. Throughout their married life Dora has been heavily involved with the art of handmade quilts. She is a well-known quilt appraiser and has arranged for the purchase of quilts by the White House and the State Department as well as by well known individual collectors. She is presently the quilt buyer for Liberty of London and has presented quilts at decorator show houses for both the National Symphony Orchestra and the Baltimore Symphony. In 1993 the Hamlin's created a charitable remainder unitrust ("CRUT") to support the Jack I. and Dora B. Hamlin Chair in Piano at the IU School of Music. To further support the Chair, they recently completed a charitable gift annuity ("CGA"). Payments from both the CRUT and the CGA will go to Jack and Dora for their lives. The CRUT also has a beneficiary provision that allows their daughter, Christie, to receive income for her life as well. The remainder of both these gift instruments will then provide generous support for the School of Music. Acclaimed pianist Andre Watts now sits in the Hamlin Chair. Jack and Dora look forward to visiting Bloomington in the fall to meet him. It is through the support of people like the Hamlins that the School of Music can bring the finest teachers in the world to Bloomington. We are blessed by their support.

By Claude Flory:

Chuck Tabbia was a man cut from a different cloth, in a different era. He was a quiet, caring man of few words. He believed in doing things right, or not doing them at all, a philosophy that guided his actions every day of his life. Chuck was a husband, father, grandfather and friend. His actions echo on today in all who knew him because he was a man of few words. Chuck's story began on a cool winter day in 1921, as springtime approached in the little mining town of Sesser in southern Illinois. Those were times of change in this country, as newly elected President Warren Harding promised the American people a return to normalcy, during the Prohibition era. Mar 9, 1921, Camillo and Catherine (Zanerd) Tabbia celebrated the birth of a baby boy, a son they named Carlo Peitro Aernasto Tabbia. They were Italian immigrants and their first-born son deserved a proud Italian name, but wanting him to fit in their adopted home, they called him by the Americanized version, Charles Peter Ernest Tabbia. Charles, as he was called, was the middle child of five in the family's Sesser home, joining big sisters Mary and Angelina, and little sisters Theresa and Josephine. Charles's father was a hardworking blacksmith, and taught his only son the trade from a young age. Times were tough when Charles was growing up, during the dark days of the Great Depression. Family entertainment consisted of huddling around the radio Sat nights, listening to the programs, or heading off to the blue waters of Rend Lake for some fishing nearby. Charles formed a lifelong love of fishing on those waters. That love almost didn't develop when, at age eight, he fell while carrying a bottle. The glass broke and nicked his jugular vein. He lost a large amount of blood and for a couple of days was very near death. Chuck, as his friends called him, graduated from Sesser High School. A short time after his mother fell ill and died. He missed her deeply. That, along with not wanting to work in the local coalmines, he decided to head to Kalamazoo, MI. His older sisters had moved there to go to nursing school and had found work at the State Hospital. Chuck hoped to find a good job in the bustling industrial town, but the clouds of WW-II were swirling. Being a man of few words, he soon enlisted in the Navy instead as a blacksmith. Chuck proudly served his country from 1942 until the war's end in 1945 when he received an honorable discharge. Upon returning to the Kalamazoo area, Chuck was eventually hired at Allied Paper Company as a blacksmith and later became a millwright. Over his 39?-year career he forged most of the tools, many one of a kind, which the company used for the production of paper. The teachings of his father served him well. With his professional life in place, Chuck's personal life began to take hold as well. He met a woman named Anna Hamlin. The two hit it off and were married Dec 7, 1946. Before they knew it, they were the proud parents of three fine children, sons Jerry and Larry, and daughter Pat. Life was fairly typical of the post-war/baby boomer era. Chuck's marriage to Anna eventually ended in the late 1960s, though he wasn't meant to remain alone forever. He joined a singles group called Parents Without Partners, where he met a wonderful woman named Maxine Earle Standish, who had been widowed. The two slowly formed a friendship, and eventually began dating. Maxine always joked that she knew things were serious when Chuck brought his laundry over for her to do! After all, he was a man of few words. Chuck and Maxine were married Feb 20, 1971, the beginning of a beautiful life together. Maxine brought four boys into the family with her, Richard, Terry, David and Brian. After the wedding, Brian, who was just four years old asked Chuck, "Can I call you Dad?" Why of course Chuck replied. They were a family ever since, and Chuck treated each of them as his own. Chuck worked hard at Allied Paper to provide for his large and loving family, but he was far from all work and no play. He was a man of few words, but had many hobbies. Of course, first and foremost was fishing. Chuck fished all year long, especially on Sugar Loaf and Little Long Lakes. Being the blacksmith he was, he even made his own ice auger for those winter fishing excursions. Every summer he would go on a weeklong fishing trip in northern Lower Michigan with his buddies, usually up to Silver Lake near Traverse City. The quiet solitude of fishing was the perfect fit for his personality. After all, Chuck was a man of few words, unless the subject was fishing. Then it was difficult to get him to stop talking! He was also an avid bowler and golfer, and participated in many different leagues over the years. Chuck and Maxine enjoyed playing golf together, and even took golfing vacations to Myrtle Beach, SC. After Chuck retired in 1985, he and Maxine played on three different golf leagues in the summer and sometimes as many, if not more, bowling leagues in the winter. It would be hectic in the spring and fall when the sports overlapped! Aside from Chuck being a natural at those sports, most people didn't know he was a pool shark as well. He also loved getting together with friends and playing euchre or cribbage. Again, being a man of few words, he had a quiet competitiveness no matter what he was playing. Chuck was equally content to be around the home, and tend to his immaculate lawn and lush gardens. He was constantly weeding, trimming, and planting, and knew just how to keep all the pests and moles away. He loved staying active, and always would go on his daily walks no matter where he was. Most of all, Chuck enjoyed being around his family. He was proud of everyone, especially his grandkids. He and Maxine often traveled to New Jersey to visit his son Larry and his family. Truth be known, the visits were probably more to see the granddaughters. On Sundays he would go to Pat's home for coffee, which also was more of an excuse to see and play with his grandson Josh than anything. In the summer, when the grandkids came out to the house to visit, Chuck would ride them around the yard on his lawn tractor. Based upon the smile on his face, he

Generation 11 (cont.)

always had more fun than they did. Over the years, he would be witness to the passing of his sisters as well as his father Apr 25, 1961 at the age of 82. Chuck was the last of a family from a different time and different place. Eventually, as the years progressed, Chuck's health began to fail. He fought a hard battle and rarely complained about it. He was a man of few words. Sadly, Chuck declined enough that he had to move to the Laurels of Galesburg only twelve days before he died Tue, Apr 22, 2008 at the age of 87. Chuck was a wonderful man, who lived a wonderful life. It was a life full of hard work, family and fond memories. He was a proud veteran, husband, father, grandfather and friend. Chuck was a man of few words, yet his actions echo on today in all who knew him. He will be greatly missed. Services will be Sat 11 am. Members of his family include his wife Maxine, his children Jerry Tabbia, Larry (Mary Jane) Tabbia, Pat Tabbia, Richard (Denise) Standish, Terry Standish, David (Sandy) Standish, Brian Standish, his grandchildren Heather & Sarah Tabbia, Joshua Charles Tabbia, James, Julie, Adam & Richie Standish, Danielle (Matt) DeBoer, Courtney (Frank) Steves, Jamie, David Jr, and Kalie Standish, Brianna Standish, his great-grandchildren Dakota, Riley, Hayden, Samantha, Madison and Kaiya and many additional relatives.

Notes for Betty Jo White:

Betty Jo Hamlin, 82, of Dunedin, FL, died Sep 5, 2012, at the Hospice House Brookside in Palm Harbor, FL. Betty Jo was born in Aug of 1930 to Guy & Fleta White in Moberly, MO. This was in the shared Randolph County of her 2nd cousin, our last 5 Star General Omar Bradley of the nearby town of Clark. She would quickly and proudly tell you of the times on the farm her mother Fleta (Patrick) would share. She grew up in Missouri with her brothers, the late James & Jerry, and Wiley who lives in Hudson, FL, and Mitchel (Mick) who lives in Missouri, and her sisters, the late Wanda and Florence who died at age 16. Later, during Betty's preteens, she was growing up in Independence MO, home of Harry Truman that she carried equal pride in. Moving to Michigan as a young lady, and later marrying Robert Hamlin, gave birth to her daughter, the late Karen MacCune-Getman-Hamlin, after six years of marriage. Karen gave Betty the joy of 3 grandchildren Karii, Douglas and Eric and 4 great-grandchildren. During the time leading up to the birth of her only other child Kirk (guardian of the late Donovan Wiezorek) Betty and Robert built their own 3 bedroom home one shovel at a time, one nail at a time, one small short term loan at a time for each step, hiring only a brick mason for the fireplace, and a well driller. During the years to follow, she enjoyed softball and bowling, vacations back to Missouri family and Hamlin family times around the area with Kalamazoo atop of the list. After becoming a single mother of 2 during the challenging times for a woman of the 1960's, she was still able to go on to school in Lansing and Bay City MI returning to South Haven and working for Brite Trim as a lab technician. This was where she later in the 1970's became the owner of H&N Anodize Finishing providing parts pressing, buffing, anodizing, paint and galvanize hot dipping back when there were few women business owners. Not bad for having less than a high school diploma. She knows and would tell anyone you have to get a "high school education" to do that now-a-days. After selling her business she went through a period of adjusting to a new lifestyle. It was only a matter of time before she found her way to Florida staying busy with short stints of working with home health care, estate settling and as a school crossing guard where she so enjoyed the children. Along the way she rediscovered the homebuilder within bringing back a 1926 Bungalow in Clearwater to its glory, and helping her brother Jerry that he moved in with her until his passing. In the last of her years she would proclaim how much she loved Dunedin, reading, drives by the water and hearing from her grandchildren. In the last of her days, receiving Jesus through Communion and Anointment from members and Pastor Herb Angel of Curlew United Methodist Church of Palm Harbor as well as Hospital and Hospice Chaplains. While not found in the Bible, Betty would often say; "God helps those who help themselves" Betty will be her final resting place in the "Lake View Cemetery" in South Haven, MI, at 10 am Oct 20 alongside her daughter Karen with a 2 pm Chapel service at the First Congregational Church.

Gregory Phillip Hamlin, 72 of St. Paul, died peacefully at home in the arms of his wife from complications due to Alzheimer's Jan 7. He is preceded in death by his loving parents, Betty (née Steinbacher) and Reno; his older brother, Roger; and several dear friends; as well as his cherished cats, Ironsides, Emmitt, and Frieda. A tall, lean, and quiet man, Greg had a gentle and steady presence and was an anchor in the many lives he touched. Greg was deeply private, observant, kind, and caring. He valued self-reliance, reliability, optimism, independence, and humor, a chance to show off his "Hamlin chin." Above all, he valued productivity, integrity, forgiveness, and well-being. He was a meat-and-potatoes kind of guy, who also loved ice cream, almond cake, and his mother's cowboy cookies. Greg grew up in South Haven, a summer resort town on the Eastern shores of Lake Michigan. He learned from his father how to hunt and fish, cultivating a healthy respect and reverence for the natural world. In the summer of 1968, Greg met Carol (née Stueland) at the Sleepy Hollow Beach Resort in South Haven; he was a short-order cook, she was a chambermaid. Their immediate connection was fated. They were bonded by chemistry, devotion, and a mutual admiration that has sustained their union over the years, through many challenges and blessings. A self-taught artist and inventor, Greg preferred to work with his hands and had an appreciation for materials and the creative process. His hobbies included carpentry, carving, painting, and sculpture. He made furniture for loved ones, toys for his children and grandchildren, and fashioned hearts from wood, glass, and brass for his wife for every Valentine's Day. Greg

Generation 11 (cont.)

worked as a welder, machinist, and mechanical engineer before retiring from 3M in 2014. He held five patents, prototypes for a wound-healing device. He was the sole designer, engineer, and fabricator of a machine that produced part of the 3M Bair Hugger Warming Blanket that has widespread use in healthcare around the world, both for humans and animals. In this way, Greg has hugged millions of patients. Greg was proud of all of his children and grandchildren. He especially found joy in reflecting on art with his first daughter, collaborating with his second daughter on home renovation projects, and hunting and fishing with his son. He loved decorating seasonal cookies with his granddaughter and shared a love of trains with his grandson. He spent hours working in his shop, where he created his many projects including the family dinner table, an anniversary gift to Carol. Greg and Carol spent countless hours in their living room after long days of work, comforted and content in each other's company. He is survived by his wife of 52 years, Carol; daughters, Amy and Kari; and son Nathan; grandchildren, Avery and Michael; chosen son, Jordan Sr. (Tara); and grandchildren, Jordan Jr. and Keira; sisters, Judy (Jim) and Janice (Larry); dear friends, Tom Anderson and Paul Knutson; many nieces and nephews and a host of other close friends; as well as his treasured cat, Etta. A celebration of life is being planned for Apr 13, which would have been his 73rd birthday.

He was described as a hard-working judge with wide-ranging academic accomplishments. "Angelo Pistilli was our best-educated judge," said Chief Judge Edward Masters. "He had advanced degrees in psychology and business, as well as law. "He was very hard-working, despite the effects of ill health in the last few years. He will be missed." Court reporter Marianne Fleming, who shared an office with Judge Pistilli and was assigned regularly to his courtroom, described him as softhearted, despite a gruff exterior. "Underneath, he was a very kind and compassionate man," she said. A 1948 graduate of Loyola University Law School, Judge Pistilli received master's degrees in law and patent law in 1951 from John Marshall Law School. He also had degrees in psychology and education from De Paul University. He was a former member of the Illinois Youth Commission and taught courses in psychology or business law at area colleges. After practicing law with his brother Louis in Joliet, Judge Pistilli was elected to the bench in 1964 and was assigned first to Family and Juvenile Court and later to felonies. Former Chief Judge Michael Orenic, who was elected to the bench with Judge Pistilli in 1964, also remembered his work ethic. "He never took a vacation," Orenic said. "I would send around a schedule every year on vacations, and he would never return his. He'd say he wasn't taking a vacation. The only time he took off was to attend seminars related to judicial matters." In addition to his brother, Judge Pistilli is survived by his wife, Joy, and two sons, Allen Nardella and Kirk Jontes. Services: Mass at 10 am Tue, St Anthony Catholic Church, 100 Scott St, Joliet.

Notes for Kathleen June Nickell:

Life long resident of Colorado, Kathleen June Hanan died Jan 11, 2016 in Colorado Springs after a courageous 22-year battle with ovarian cancer. June was born Jun 1, 1940 in Genoa, CO. Her parents Robert Fay Nickell and Hazel Emerson (Hamlin) Nickell lived south of Last Chance, CO. where she grew up. June graduated from WoodrowHigh School, ventured out to Denver then California for a short time then made it back home to Last Chance and married Aden D. Hanan from Fredericksburg, IA in 1961. They settled down in Colorado Springs raising their three children. Her duties of being a mother took most of her time but she went to work for NCR in 1975, and then advanced to QA supervisor at INMOS a computer chip company in the 80s. She was very proud that she went from a stay at home mom to making a difference in the work force. With a little investment and lot of hard work, and determination, she moved back to Brush and opened Coyote Heaven Bar and Grill in Hillrose, CO. Business grew and Wed nights there was a line out the door for her smothered burritos. Few years later she was offered to manage The Hill restaurant just east of Brush at the sale barn. With a successful restaurant and bar business, the opportunity presented itself and she purchased a little restaurant and bar located between Brush and Ft Morgan on Hwy 34, and aptly named it Lute's, after cowboy legend and family friend Lute Davis of Brush. Not short on personality or sense humor. All who knew her loved her. People came from miles around not just for her great cooking but the friendly atmosphere. She would draw you in with her heart felt smile and keep you there with her laughter. Family was the most important thing to her and if you were a friend she made you feel as though you were family. June was preceded in her journey by her parents Robert Fay and Hazel Nickell, her brothers Robert (Steve) Nickell, Bruce Nickell, and her sister Joan Harmon and her husband Aden D. Hanan. She is survived by her daughter Lisa L (Hanan) West and son-in-law Ritchie L West of Hong Kong, daughter Angela M (Hanan) Vick and son-in-law Roger Hamilton Vick of Colorado Springs. Son, Ernest M Hanan and daughter-in-law Paula J Hanan of Colorado Springs. Every day they would go for a walk, holding hands to look at the lake and to this day they are remembered that way. Hazel was a quiet person who gave of herself never wanting anything in return. She loved the small things in life; gardening, her home and just drinking a cup of tea on the porch watching the birds and she could even pet a tree frog. She had a sly sense of humor that was loved by all. She helped at the church whenever needed. She always had a kind word for someone in need. She and her husband Ed did volunteer work for 10 winters with MMAP (Volunteer Mobile Missionaries (VMM, formerly MMAP). She was a beautiful quilter and gave many gifts. She will always be remembered fondly and was a mentor to many people, although she never knew it. One never left her home without a plate of cookies. She will be missed being seen taking a daily walk along with her husband Ed by so many. Ed and Hazel were married for 72 and a half faithful years. Survived by son Jeff and Diane (Hanes), daughter Jan and husband Mike (Craig), grandson Brian and Melissa (Ferens), brothers Larry Russell, Richard and Sheryl (de Best) Russell and Sister Leona Bronson. Notes for John George Murphy II:

John George Murphy, Jr An emeritus professor at Georgetown University Law Center, scholar, public servant, and husband and 55-year dance partner to his wife, Lucinda, died at his home in Washington, DC May 26, 2018 after a battle with cancer. He was 80. Professor Murphy, known as Jack, was born Jun 15, 1937, on Governor's Island, NY, the youngest of four children and only son of Col. John George Murphy, a career officer in the Army, and his wife, Helene née Barnes. The family moved often in his youth, and he attended 14 different schools before graduating from New York Military Academy. He went on to earn a bachelor's degree at Harvard, one of the first students from NYMA to do so, graduating in 1958. He received his law degree from Georgetown University Law Center in 1961. After graduating from Georgetown, he clerked for Judge Warren E. Burger (later Chief Justice of the United States) on the U.S. Court of Appeals for the DC Circuit. Following a stint as an associate at the law firm of Covington & Burling, he served as conference director for the Office of Economic Opportunity's legal services program, helping to design a system to provide free legal services for the poor, which served as the foundation for the present Legal Services Corporation, an independent non-profit that is the single largest funder in the nation of civil legal aid for low-income Americans. In 1965 he joined the teaching faculty at Georgetown University Law Center, where over the course of the next 43-plus years he taught courses on constitutional, commercial, and criminal law, including the subjects of individual rights, the Supreme Court, the federal system and federal election law, professional responsibility, and corporations. Though his subject matter was frequently technical, difficult to master and arguably even dull, students consistently rated his courses as the very best in the law school. He served as associate dean for the graduate program for five years in the mid-1980s, coached moot court teams, and gave great energy to university governance, including serving as vice-president of the Georgetown University faculty senate and for decades as chairman of the Committee on Academic Freedom and Responsibility. During his long tenure at Georgetown he made time for a host of other worthy causes. He organized legal teams for demonstrators after Dr Martin Luther King's assassination in 1968; successfully advocated (and recruited) for increased representation of minorities at the Law Center; and in the wake of the Watergate scandal, served in 1975 and '76 as the first general counsel of the newly-created Federal Election Commission, to oversee campaign finance reforms. Over the years his work as lawyer and scholar led him to live in places as diverse as Beirut, Lebanon; Olomouc, Czech Republic (in the immediate aftermath of the Soviet Union's breakup); Guadalajara, Mexico; and Xiamen, China, in one capacity or another helping local universities to build robust and rigorous law programs. Jack wed Lucinda Friendly in Sep 1962, the start of a marriage that lasted more than 55 years and produced four children, six grandchildren, and an abundance of marvelous friends. Together Jack and Lucinda created a remarkably lively home with open doors - hosting and nurturing a steady stream of international students, friends made during previous travels, and people from all walks of life. Jack instilled in those around him - his family, colleagues, and friends - a sense that we are all better for knowing and embracing each other. The constant refrain from those he touched is that his tolerant and gracious example, his attentive listening, and his thoughtful counsel have made them better people. A service will be a later date.

Notes for Harley Lee Hamlin:

Bio-sketch by family member:

In a world often consumed by materialism, Harley L. Hamlin stood out as a man who loved his family more than his belongings. Happily married to his one true love, the proud father of six children and the doting grandfather of 11 and great grandfather of 7, Harley lived each day as though it was the best day of his life. He was very family-oriented and worked hard all his life to be a good provider. In 1926, life was good in the United States. Although a revolt in Nicaragua found military troops being sent to help preserve order, Americans were enjoying relative peace and prosperity. WW-I was over and the Great Depression had not yet threatened the U.S. workforce. However, the most special event of this year for Albert Hamlin and his wife, Lila (Hoyt), of Glenn, MI, was the birth of their son, Harley Lee, May 7, 1926. Sadly, his parents were informed that little Harley was born with a bad heart valve and would probably only live to the age of 10. He certainly proved them wrong and lived a full and happy life for 79 years. Harley was the third of five Hamlin children, all of who were about 7 years apart in age. He had two older sisters, Letha and Ella, a younger sister, Bonnie, who died at birth, and a younger brother Boyd, who he was always very close too growing up since his sisters were quite a bit older than him. In Glenn, Harley's family owned a small farm, where they raised chickens, grew vegetables in the garden and farmed fruit from their orchards of peaches, grapes and cherries. Much of their harvest went to feed their family, though there was always enough grapes and peaches to be sold. Living on a farm, Harley learned at an early age the value of a hard days work. Besides farming, Harley's father alsoworked at Everett Piano Factory in South Haven while his mother was busy at home, farming and caring for the children. During the summer months, their home was even busier since it became a hotel to many vacationers from Chicago. Harley enjoyed a typical childhood, playing softball and going to school. He liked school and remembered how the students were required to take turns in helping to prepare hot lunches for the other students each day. Like many young boys of the time, Harley left school after the 11th grade and went to work at the piano factory his father worked for. He wasn't there long, however, before he took a job as a semi truck driver, which became his lifelong career. As a teenager, Harley developed a love for cars and the need for speed. His cars were not only

Generation 11 (cont.)

"cool" looking, but fast! In fact, in order to escape the police from catching him, he would hide his car in the garage and spray the engine down with the garden hose to quickly cool it off before being caught. It was his "hot car" that got Harley noticed by a girl named Beverly. While he was out cruising one night with his friend, Art, they met up with Beverly, who began dating Art. Although Harley was dating a young lady named Peggy at the time, he showed up at Bev's without Art one night and Bev realized that Harley was more her type and they began dating. Soon after, Harley learned that Peggy was pregnant and did the honorable thing by marrying her. Their marriage did not last, yet Harley came away with his son, Gerald. Harley found his way back to Bev, who became his lifelong love and partner. After dating for a 1 ? years, they were married Sep 24, 1949, in the home of Rev Tenhouten, who also officiated the wedding. While Harley was on the road trucking, Bev worked as a telephone operator until their children were born. The couple had five children: Charles, Linda, Tom, Ritchie and Albert, each of whom brought another incredible blessing to the Hamlin household. In 1956, Harley moved his family to Kalamazoo to be closer to his work, but later in 1967, they moved to Mattawan, where he and Bev raised their children and reside to this day. Harley's family was always his first priority. As parents, he and Bev instilled good habits and strong values in their children that would guide them through their lives. Harley prided himself on teaching his kids the importance of honesty, responsibility and working hard, principles that were always important to him. Very protective, he often told his family "I am not a squealer", but if someone is dishonest or trouble, he made sure they weren't around his family. Despite his job keeping him away from home a lot, Harley's children adored him and couldn't wait to hear their dad's truck coming down the road. Bev still remembers the boys yelling out "Here comes Daddy's OooHhh AaaHhh!" They were always thinking of him, including the time they were given money to spend at the store and instead of coming back with candy for themselves, they got their Dad cigars. Time together as a family was always important, and every year they took a vacation. Though their destination may not have been far from home, it was the treasured moments together that made it fun. One year, Harley bought a boat to take his family fishing, which turned into quite a disaster. First, they forgot to put the plugs in the drain holes, so the boat filled with water. Then, once the boat was afloat again, the engine wouldn't start and they had to row to shore. Needless to say, this did not become a favorite family pastime. Although Harley retired at the age of 53, he never really "retired." In fact, the Teamster Union finally told him if he didn't quit working so much they were going to take his pension away. So Harley slowed down, but found other work to keep him occupied. He loved to tinker in his garage and was good at woodworking. Some of his projects included wishing wells, donkey carts, silhouettes, shelves, wastebaskets and even a seat for his niece's golden retriever. Harley still loved to cruise around, but instead of a car, he sported a Harley Davidson and later a Honda. He was a member of the Gold Wing Road Riders, the Moose Lodge and at one time was involved with a group called the State Troops, which was similar to the National Guard. Harley was a big fan of westerns or drama shows on television and listened to country western music with Elvis at the top of his list. Harley had heart surgery in 1992, and made a very strong recovery. However, about 2 ? years ago, he began having problems with his kidneys, causing his health to decline ever since. In Jun of this year, Harley was diagnosed with a rare blood disease, which he fought with dignity and determination, but ultimately, it took his life. Harley Hamlin was a modest man, yet proud of all his family. He was devoted, caring and loved life. He will be greatly missed by all who knew and loved him. Lansing State Journal (Lansing, Michigan) - Fri, Oct 4, 2019

Harley Lee Hamlin and Vanessa A Stewart had the following child:

2862. i. Gerald Lee¹² Hamlin was born on 28 Nov 1947 in Douglas, Allegan County, Michigan, USA. He married **Rebecca Pickman**, daughter of Jack R Pickman and Wanda LNU, about 1970 in Unknown (Michigan or Florida?). She was born on 04 Feb 1951 in Lansing, Ingham County, Michigan, USA.

Notes for Beverly Jane Wickham:

Never one for diamonds and pearls, Beverly Hamlin placed her riches in the finer things in life, like matters of the heart, laughter and the love of family. Whether family or friend, she was someone with whom others could rely. A stranger to none, Beverly easily became a forever friend and someone to lean on when times got tough. To know Beverly was to love her. Truly one of a kind, her uncanny sense of humor, caring ways, her "tell it like it was" nature and honest demeanor was to be admired. For all that she was and more, Beverly found her greatest joy in the family she absolutely adored. Beverly was simply Beverly, and loved abundantly by those who knew and loved her best.

By 1932, the economy continued to deteriorate as a result of the Great Depression. Unemployment increased to over 24 percent with an astounding 13 million out of work. Many struggled to keep their families fed and a roof over their heads, yet the entertainment industry provided welcome relief from everyday worries. Despite the changes in the world around them, Charles and Doris (Kingsnorth) Wickham found much to be thankful for when they celebrated the birth of their little girl, Beverly, born Jan 28, 1932, in South Haven, MI.

A child typical of her generation, Beverly grew up alongside her two older siblings, Brice and Wilma in the small community village of Lawrence in Van Buren County. She attended the Lawrence Schools through the 9th grade and as a young girl she loved ice-skating at the South Haven ice rink and also enjoyed roller skating. The place to be, South Haven offered a world of entertainment, including the Lake Michigan beaches for those living in nearby Lawrence.

Beverly eventually landed a position working as an operator for Bell Telephone Company. Always one for a nice hot rod, it was during this time when she began dating a fellow named Art who was riding around town with his friend, Harley Hamlin. One evening Harley came over to Beverly's unannounced, and there was clearly a spark between them. They began dating however, the girl Harley had been seeing announced she was expecting. While it broke Beverly's heart, Harley did the right thing and married the other girl. Although their marriage ended, Harley was grateful to have taken on his son, Gerald.

As fate would have it, there was no denying the connection between Beverly and Harley. They again began dating, and following a one and a half year courtship, they were happily married Sep 24, 1949. Beverly took Harley's son, Gerald as her own, and together they went on to add five more wonderful children into their lives with the addition of Charles, Linda, Tom, Ritchie, and Albert. For a time they lived in Glenn, MI and while Harley supported their family as a semi-truck driver, Beverly remained at home raising the kids. In 1956 they moved to Kalamazoo to be closer to Harley's work and with the kids a little older, Beverly began working at Kalamazoo Sled Company and worked there for a few years until they closed. She then went to work for National Waterlift where she remained until retiring.

In 1967 they made Mattawan their forever home. Even though Harley was away a lot on the road, Beverly raised her family by way of example. She never minced any words, and they knew well never to challenge her. As parents, Beverly and Harley together raised their family with strong values, teaching them responsibility and a hard work ethic. They enjoyed yearly vacations together as a family where memorable and fun times were had by all. Beverly's children will attest they had an incredible childhood and upbringing. Sometimes it wasn't easy with such a large family and bustling household, but Beverly knew how to make the most of it. She was a great cook and always had a big Sunday dinner on the table with her delicious ham and potatoes and her scrumptious cakes were simply the best.

Even though it may have seemed like Beverly had her hands full, she would not have wanted it any other way. She did enjoy bowling and was a member of a league at one point. Crocheting was one of her favorite pastimes, and she liked collecting Christmas villages. When it came to music, Beverly preferred old country. Being around her grandkids was always a delight, and she had a true heart for the holidays because of family, and the more the merrier! When Harley died in 2005, the love of family and friends saw Beverly through. In time she took a job in merchandising at Kohl's Department Store for five

Generation 11 (cont.)

years and for the last five years she lived in an apartment that suited her just fine. She had often played cards with her husband, and just recently took up card playing with one of her neighbors.

Over the last several years Beverly began experiencing some memory loss. While it was frustrating for her at times, she took it in stride and carried on. On Thanksgiving Day, medical issues landed her in the emergency room where she sadly died. Beverly will be fondly remembered for her continued love of hot rods. She and Harley loved running their '69 red Dodge Charger hard on the streets. They had bought it brand new and it remains in the family to this day. To honor her love for the car, it will be the lead car in her funeral procession in remembrance of her.

Yes, Beverly Hamlin was one of a kind! She could talk like a sailor with the best of them, and she had a great sense of humor right up to the last minute of her life. An all around great woman, Beverly was just as caring as she was feisty, and that was one of many things about her that made her so lovable. She never put on a show for anyone, and with ways all her own, she created lasting memories always to be treasured.

He married **Verdyth Ethyl Caszatt**, daughter of Oliver Caszatt and Ethel Audrey Riggle, on 15 Dec 1928 in Winn, Isabella County, Michigan, USA. She was born on 18 Jun 1910 in Mesick, Wexford County, Michigan, USA. She died on 23 Oct 1988 in Mount Pleasant, Isabella County, Michigan, USA.

Notes for Verdyth Ethyl Caszatt:

Auto-biography My parents were Mr and Mrs Oliver Caszatt. Dad was born in Lincoln Twp, Aug 7, 1886, and my mother was born in Fremont Twp, Mar 21, 1891. They were married May 23, 1908. At that time, dad ran the egg wagon through the county serving the people. My twin brother (Vernon) and I were born in Wexford County at Mesick Jun 18, 1910. Dad ran the general store to two years. He ran another store at Harlan, MI and this is where my sister, Elaine, was born Jun 10, 1912. At that time my parents came back to the Winn area. There dad sold Watkins goods and farmed. We lived in Deerfield Twp when we started school. My older brother, Gaylord was seven and Vernon and I were six years old. We also attended the Coomer School which was two miles from home. We then moved to Lincoln Twp and lived on our old Grandma Flansburg's farm. She was my dad's grandmother and the farm always has been owned by some of the family. It is now a Centennial Farm. I met Percy in the winter of 1928. His parents were Mr and Mrs E. J. Hamlin of Coe Twp. We were married Dec 15, 1928. We farmed the old Hamlin farm for twenty years. Our four boys were born there. Eli was born Jan 27, 1931; Lynn, Jan 8, 1933; Jay, Jan 10, 1935; and Ronald C. Nov 6, 1936. When we were very young, Percy sometimes worked by the day for ten cents an hour, and I worked out of the house for \$4.00 a week with room and board. I was eighteen then. Shortly after we were married, F.D.R. declared a bank holiday. That year we sold beans for ninety cents per hundred pounds and eggs for nine cents a dozen. During the depression, it was hard for some people, but we were lucky as we raised most of our food. The boys attended the Walling School as did their dad and granddad. Our son, Eli's children went there also. All went to Shepherd High School. For fun we used to go fishing, camping and picnicking at the Chippewa River. We still go and enjoy it. We also have our family get-together. Percy and I celebrated our 50th wedding anniversary Dec 15, 1978 and we hope to celebrate many more. We have thirteen grandchildren and ten great grandchildren.

Notes for Roberta "Bobbi" June Morris:

Roberta Jun Fisher "Bobbi Jun" of Grand Junction, CO, died peacefully while her granddaughter prayed over her at the HopeWest Ferris Hospice Care Center Tue, Aug 24, 2021. She is home to rest with her Lord after a long-fought battle with Alzheimer's and spending the last months of her life with her boys and family by her side. Bobbi Jun was born Jul 2, 1938, in Delta, Colorado, while her father worked in mining towns and as a chemist. Bobbi Jun was extremely connected to western Colorado and always had a story to share about how attached to the area she and her family were. After graduating from Grand Junction High School with a group of friends she stayed in touch with for decades, Bobbi went to study fashion and then marry her Navy sailor, Joe H. Fisher, in Grand Junction in Aug 1957. They moved throughout Colorado to Salida, Longmont, and Durango, before settling back in Grand Junction to operate the Continental Trailways bus depot. Bobbi Jun was a free spirit and lived a life of many passions, most important being her four boys, 12 grandchildren and 17 great-grandchildren who called her Granny. She was the life of many circles and was always up for an adventure. After she and Joe finished operating the bus depot, Bobbi Jun worked in boutique stores on Main St. She took any grandchild she could to the Mesa for fishing and a cinnamon roll, the Monument for a hike, or Palisade to a cafe lunch. After bravely defeating breast cancer in 1985, she turned to volunteer for an organization in Collbran who gave children with cancer an amazing opportunity to experience outdoor adventures. Bobbi generously involved her grandchildren in her giving and planted the seed of volunteerism in many of her children and grandchildren. Wherever Bobbi Jun was, she made a strong group of girlfriends who shared their faith, fun, and beautiful singing voices with one another. She had many loves and hobbies and trained as a clown and even trained her own clown dog, belly danced for years, created beautiful clay sculptures, went on dirt bike adventures with her family and to Lake McConaughy with her girlfriends. Her passion and work united when she became a Park Ranger on the Colorado National Monument. Bobbi Jun was strong in her faith of Jesus Christ and served him well, making sure her children and grandchildren knew His love and glory. Bobbi Jun's last years were marked combating Alzheimer's, a disease she helped her mother battle at the end of her life as well. Her family helped her through many of the complications and confusions of Alzheimer's and were able to spend the very end of her life by her side at the amazing HopeWest Ferris Hospice Care Center.

Bobbi Jun is survived by her four sons she adored, Joe (Sheryl), of Grand Junction, CO; Dave (Julie), of Grand Junction, CO; Jim (LeAnn), of Fruita, CO, and Paul (Marcy), of San Antonio, TX; sister-in-law, Mary Ann Fisher, of Grand Junction, CO; 12 grandchildren, and 17 great-grandchildren. She is preceded in death by her late husband, Joe H. Fisher; parents, Jun and Robert Morris; sister, Charlotte La'Nora; parents-in-law, Bernie "Bud" and Pauline Fisher, and brother-in-law, Gene Fisher. Services will be Sat, Sep 11, at 3 pm, at the Redlands Community Center. Bobbi was an awesome, loving woman and we will miss her dearly.

Ashland, OR; daughter Katherine and her husband, Geoffery Hansen of Napa; son Mark and his wife, Debra Hamlin of Salem, OR; son Jon and his wife, MaryLynne Hamlin of Bend, OR; and his grandchildren and their families: Elizabeth, David, Alyssa, Andrew and Nathan Laird of Vacaville; Megan, Matthew and Nolan Betz of Seattle; Mathew Hamlin and Cynthia Ward of Bend, OR; Christopher Hamlin of Seattle; Kimberly and Joel Pentecost of Hillsboro, OR; Jennifer Hansen of San Francisco; and Katie Hamlin and Hudson Tyler of Portland, OR. Edward and his young family moved to Rancho Cordova in 1959 after purchasing the children's clothing store Small Fry Togs, located in the old Cordova Village. The store was a family effort until its closure in 1987; with the entire family making "vacations" out of trips to San Francisco to purchase new merchandise for each upcoming season. Edward was an active participant in community affairs; he was Vice President and later President of the Rancho Cordova Chamber of Commerce; Chairman of Military Affairs; and President of the Mills Center Business Association after the store relocated. He sponsored multiple local children's activities including a Little League team. In his retirement, Edward's greatest joy was spending time with family. His grandchildren loved hearing his childhood stories about growing up on the family farm in Iowa, including walking backwards uphill both ways in the snow to school and driving the farm tractor from age nine. The highlight of every year was the family gathering at Diamond Lake, OR. He also greatly enjoyed traveling and was very pleased that he had visited twenty-nine different countries. However, the fact that all 7 of his grandchildren graduated from college made him even more proud. He will be sorely missed by his family. Children: 1 daughter (living)

Possible 2nd Marriage, but is unverified.

Notes for LaMont John Bryant:

LaMont J Bryant was the adopted son of Winona Bell Hill (Wilson) and Gordon Bryant. LaMont was born in Ogden, UT in 1930. His mother divorced Gordon and married a local baker Joseph Christian Alkema. LaMont had several fond memories of his step-father, including playing in the bakery, learning falconry, and caring for antique cars. His mother would divorce Joseph. He moved with his mother to Santa Monica, CA in 1941. His mother would work at JC Penny at the 3rd Street Promenade. It was while working she met and later married Paul Scheffe. While living in Santa Monica, LaMont became friends with future actor/singer Anthony Wilford Brimley, who also lived in the Santa Monica, and they often went fishing. (Brimley's first wife, Lynne Bagley, was LaMont's 8th cousin-a fact that none of them knew at the time). WW-II came to Santa Monica on the night of 24 February 1942 when the air raid sirens wailed, and the sky lit up with search lights...the "Battle for Los Angeles" has started. LaMont watched from this family apartment all the excitement. In the waning months of the war in 1945, LaMont earned his pilot license, join the Civil Air Patrol, and would fly a piper aircraft in search of Japanese activity off the coast of California. "I received my pilot license before my driver's license." He graduated from Santa Monica High School in 1948. LaMont worked as an attendant at a service station, with his lifelong friend, Felix, to pay for his education (Pre-Dentistry) at UCLA. He Attended UCLA until conscripted into the Army in 1951. Originally, he served in the Japanese Occupational Forces, until transferred into Korean War theater. While, in Japan, he attended the Army's Far East Med Specialist School in Shinodayama. In Korea, LaMont served 6 months combat and 6 months at the MASH 8225th. While on patrol, he encountered a starving and freezing child in a ditch. This boy's parents were killed by communist forces. LaMont took in the child, and he would become a something of mascot of the MASH Unit. The child went by "Sam." He would accompany LaMont on patrol and they would participate in combat together. Upon LaMont's end of tour, Lamont would leave Sam in the care of a

Generation 11 (cont.)

good friend at the MASH 8225th. His MASH friend lost contact with LaMont, upon LaMont's return to California. He never learned the fate of "Sam" the boy he always considered a son. In California, LaMont became a quality control inspector on GM auto assembly plant. He soon was able to obtain his California X-RAY technician and employment at Providence Saint Joseph Medical Center in Burbank. While working at St Joseph's, the Weber Aircraft Company needed to X-Ray several of the Gemini Program astronauts. LaMont was chosen to be the tech to X-Ray the participating astronauts. He would later move from Burbank to the Santa Clarita Valley and be employed at the Golden Valley Hospital in Saugus. When The Golden Valley Hospital was replaced, with the Henry Mayo Newhall Hospital, the hospital LaMont was to retire from. LaMont was married and divorced 3 times. He had one child each with his first two wives. The third marriage was later in life and brief. He spent his retirement years with his loving partner, Joan Lambert. On June 24, 1999, he died from natural causes while relaxing in his favorite chair watching TV.

She was born (date & place unknown).

Notes for Linville Clark Hamblin I:

Linville was born Aug 7, 1919 to James D. Hamblin and Mary G. Draper Hamblin in Park Grove, MO. He had four brothers (Leonard, Estelle, Elvin, Dennis) and two sisters (Pauline and Nadine). While his grade school years were spent in Park Grove, MO, he completed two years of high school in Cole, MO. In 1935, Linville moved to Olathe, KS to work on a dairy farm for his uncle, as well as to graduate from Olathe High School in 1939. After graduation, Linville spent the summer helping a family rebuild their home that had been lost in a fire. His residence consisted of a hay bed in the barn. Looking for a warmer place for the winter, and three meals, he joined the Navy Oct 29, 1940. Upon completion of Boot Camp in Great Lakes, Illinois, this young sailor received his first assignment to the USS Texas in Norfolk, VA as a Gunner Mate on fourteen-inch guns. The ship cruised the southern island and was later responsible for escorting troops to England. In Mar of 1942, Linville was transferred to the USS South Dakota and was there when the ship was first commissioned Mar 20, 1942. While on the USS South Dakota, he and his fellow crewmen were involved in the largest air battle in WW-II, the Santa Cruz, as well as the largest sea battle around Guadalcanal. In Linville's words, "The South Dakota was a real fighting lady". Of course, this is validated by the fact that the South Dakota saw more action than any other ship in the fleet. In Jun of 1944, Lin was transferred back to the States to complete training, and soon sent to Quincy, MA to join another ship, the Springfield. Again, in Linville's own words, "While the Springfield was being built, I met a nice young girl named Rita Ann Palma and we got married Nov 17, 1944 in New Port, RI". Once the USS Springfield was commissioned, he was on the shake down cruise then sent back to the Pacific, where they were involved in the air battle around Okinawa in Apr 1945. The USS Huntington would be his next assignment, in which he participated in her shake down cruise. Linville was transferred back to Great Lakes, IL, and after six years, twenty-two days of Navy service on several ships, he was discharged in Nov 1946. After the war, Linville and Rita returned to Olathe to raise their six sons. Linville then joined the Naval Air Station in Olathe, where he remained in the regular Navy. He retired from the Navy Sep 20, 1960 after completing 20 years of service. After a short time, he joined the Civil Service, where he completed 20 more years, and retired in 1980. The next phase of life was spent working small jobs, but he didn't want to be tied down; he and Rita wanted to travel a bit and relax, which they did until Rita became seriously ill. She underwent a heart transplant in 1987. After celebrating 50 years of marriage, she died Nov 27, 1994. The final seven years of his life were spent with his wife, Dee Andres, who survives him of the home. Surviving are his wife, Dee Hamblin, his sons John (Carol) Hamblin, Mike (Wendy) Hamblin, Rick (Shelly) Hamblin, and

Elvin M. Hamblin, 91 of Olathe, KS died Apr 4, 2017, he was born Jun 15, 1925 in rural Sinclair County, MO to James and Mary Gertrude Hamblin. His father was a farmer and they moved every two or three years to farm better land. Over the years he attended several rural schools like Shiloh, Bethelhem and Pretty Bob. His teacher at Shiloah school was Eloise Ahrens. She became his sister-in-law when she married his older brother, Estel. He was attending Deepwater Missouri High School when WW-II broke out. His three older brothers were in the military – one in the Army, one in the Navy and one in the Army Air Corp. His mother did not want him to be drafted so she sent him to Olathe to work on her father's farm. He worked for Uncle Clark Draper for one year. Then his friend, Cliff Toynbee, was called up to take his physical for the draft. Elvin decided to go and enlist with him. Cliff failed the physical and was sent home. He and his best friend, Ed Colson, worked on the cabin as well as the Colson's cabin and they had a great time doing it. He became a member of the 1st Methodist Church in the 1990's and always said he never volunteered for anything. The pastor questioned that statement because he was always doing something there. Notes for Gary Dean Johnson Sr:

Decorated Vietnam War hero, Gary D. Johnson, Sr, died Sat, Jan 2, 2010 at his daughter's home in Show Low, AZ following an 18 month battle with lung cancer. He was 67 years old. Gary was born Feb 20, 1942 in Mill Creek, Illinois to the late Carl and Lucille (Poole) Johnson. Being very patriotic and, while still attending high school, he enlisted in the Army at the age of 17. He served faithfully for 20 years in the army before receiving his honorable discharge, at which time he retired from the military. During his service to this great nation, he spent 2-1/2 years in Vietnam. It was while serving there that he was exposed to the chemical, agent orange, which ultimately lead to his lung cancer and early death. It was, also, while serving in Vietnam, that he received 3 Bronze Stars for bravery and valor. As a young man, he met the girl of his dreams, the former, Mary Brownell. They both were stationed at Ft. Benning in Georgia. After a 3 month courtship, the couple was married Nov 25, 1961 and, most recently, celebrated their 48th wedding anniversary together. Throughout their marriage they lived in several places. He was stationed in South Korea as well as Germany for several years. Gary was a life-long member of the Veterans of Foreign War and was a familiar face at Show Low's Post #9907. Gary retired from the Army in 1979 and moved to Arizona from Ft. Lewis, Washington in 1981. He and his sweet wife, Mary, were able to travel all over The United States in several R.V.s for many years. Since moving to Show Low, here in the beautiful White Mountains, Gary worked at American R.V., where he was a great employee for his friend, Larry. Gary had on his "bucket list" a dream to visit the Vietnam Memorial Wall in Washington, DC; a dream he was not able to fulfill, but his family was. They went in his stead and laid, at that sacred place, a special memorial for him. Being the caring, loving and giving man that he was, Gary gave the ultimate gift by donating his body to Life Legacy in Tucson to further, specifically, the advancement of medicine. This incredibly selfless man will be missed by all who had the privilege to know him, however, none will miss him more than his family. Gary D. Johnson, Sr is survived by: his wife, Mary Johnson of Show Low, AZ; 3 children: Howard Johnson (Carla Long) of Concho, AZ, Liz Law (Joey) of Show Low, AZ, Gary Johnson, Jr (Alana) of Show Low, AZ; 3 brothers: Bill Johnson of Lebanon, Indiana, Bob Johnson (Annette) of Lebanon, Indiana, Terry Johnson (Paula) of Shelbyville, Indiana; 5 sisters: Sue Bigham (Joe "Joey") of Lebanon, Indiana, Debbie Wells (Wayne) of Lebanon, Indiana, Joyce Dremons of Lebanon, Indiana, Barb Eavey (Larry) of Yuma, AZ, Pat Rader (Phil) of Perrigold, AR; 6 grandchildren and 6 great-grandchildren. Recitation of the Rosary will be Fri - Feb 19, 2009 at 7 pm at St Rita's Catholic Church 1400 E. Owens St in Show Low. Funeral Mass of Christian Burial will be celebrated by Rev Fr. Joe Blonski, beginning 11 am, Sat, Feb 20, 2010 (which would have been Gary's 68th birthday) at St Rita's Catholic Church, After the funeral mass there will be a formal procession to the Veterans of Foreign War, Show Low Post #9907, where military honors will be rendered by the VFW Honor Guard.

Law enforcement came naturally to Homer, which was a big asset, in a time when there were few State Troopers. His good judgement in handling each situation was many times his only backup. He served the citizens of Illinois for 30 years, retiring Dec 31, 1987. Homer loved being a State Trooper, which showed even at retirement. He was never without his State Police ball cap, belt buckle, jacket, watch, ring and necklace. Even his car and truck had State Police license plate frames. After his retirement Homer began delivering buses and recreational vehicles to cities all over the United States, Canada and Mexico. He loved driving and viewing our great nation, turning most trips into mini vacations. While he was considered an employee of Goshen Coach in Elkhart, IN, truck drivers all across America referred to him as a commercial tourist. Survivors include his wife, Karen of Goreville; his first wife, Shirley; a son, Dale R. Poole of Tunnel Hill; two daughters and sons-in-law, Cathy Poole Akins and husband Jerry of Vienna, and Sandra Poole Jordan and husband, Jeff, a Johnson County Deputy, all of Vienna; three grandsons, Jason Akin and fiancée, Stephanie Henderson, Josh Akins and Mathew Jordan; one great-grandchild, Amity Akins; two stepsons, Nobel White and wife Mary Jane, and Eric White, all of Buncombe; one stepdaughter, Lana White of St Louis; four step grandchildren, Clayton, Casey, Kayla and Katie White; one sister, Shirley Ann Sadler of Anna; one sister-in-law, Betty Poole of Anna; and numerous nieces and nephews. His dear friends on Deaton Road, whom he considered family, also mourn his passing. Homer touched everyone who knew him in so many different ways. His joy of life, generosity, strength in hard times, and the love he gave to all of us. Mr Poole was preceded in death by his mother and father, four brothers, Michael Jr, Ed, Earl and Orta, and five sisters, Lucille Johnson, Edna Jun Poole, DeRotha Bowman Singleton, Zelma Sharp Carter and Mary Johnson.
